

MODERN PUBLIC SCHOOL

Respected dignitaries, parents, administrators, coordinators, teachers, and my beloved students

As the principal of Modern Public School, an outstanding representation of innovation and quality education in our cherished city of Jhansi, it is an honour and a privilege to be in front of you today. I am excited to share with you today the outstanding accomplishments and unique qualities that distinguish our school and make us the go-to option for fostering our kids' futures.

I am pleased to inform you that Modern Public School has been designated as the District Training Coordinator for both Jhansi and Lalitpur schools. This prestigious role extends not only to teachers but also to principals, ensuring a high standard of education across our district.

One of the most notable aspects of our school is that we are the only institution in Jhansi affiliated with both CBSE and ICSE boards with Higher education. This unique affiliation allows us to offer a comprehensive and well-rounded curriculum that caters to diverse learning styles and academic needs, ensuring that every child receives a holistic education.

At Modern Public School, we firmly believe in recognizing and rewarding not just academic brilliance but also social responsibility. Our scholarship programs are designed to honour not only academic performance but also social welfare initiatives, such as supporting fatherless child, single girl child, and the children of defence personnel.

Our commitment to holistic development is evident in our approach towards activities-based learning, which has yielded outstanding results. We take immense pride in the achievements of our students, such as Tanu Verma and Tanishka Singh of 2023, who have been awarded prestigious CBSE scholarship among only 25 students from India - showcases our dedication to academic excellence and student success who scored 100 marks in subject and overall 98%

Furthermore, we have Aman Chourasia who scored 97.456 in IIT MAINS 2024

Sports and cultural activities are integral to our holistic approach, and our students have excelled at various levels, earning over 1000 certificates and medals in different sports activities. We are proud of students like Sourabh Rajpoot, who represented our school at the national level athletic games. Our upcoming Modern Sports Academy will further incentivize sports participation, offering 20 academic marks benefits for those students who are selected in school team of different games.

In conclusion, Modern Public School is not just a place of learning but a nurturing environment where dreams take flight, talents are honed, and values are instilled. Thank you for entrusting us with your child's education and future aspirations. Together, let us continue to inspire excellence and shape bright futures.

Thank you!
